The Senate typically does not meet in January, June, July, or August; however, special meetings may be called as needed.

Faculty Senators are elected during Spring Semester and serve a term of office of three years, beginning with the last Thursday of April of the year elected.

Members of the FS Executive Committee and the FS Oversight Committees are elected annually at the last Thursday of April meeting by the full Senate and begin their terms immediately after that meeting.

Members of all other FS Standing Committees are elected or appointed during the months of September and October in accord with the Faculty Senate Bylaws. The term of service for committee membership is 2 Years. Except for the FS Executive Committee and Oversight Committee, a committee elects its chair.
