Dear Professors,

Thank you all very much for taking the opportunity to speak to our new international students on this Saturday, January 11 from 3:00 to 4:30pm regarding the different topics of US Classroom Expectations. We truly appreciate your help in getting the students ready for a successful experience at UNK.

Here are details for this Saturday:

1. We will be using rooms on the first and second floors of OTOL. Below are the room assignments:
 - OTOL 126— Dr. Martonia Gaskill —Working with Professors and Peers
 - OTOL 135— Dr. Po Hu —Plagiarism and Academic Honesty
 - OTOL 136— Dr. Matt Mims —Creativity
 - OTOL 216— Dr. Toni Hill — Using Resources
 - OTOL 218— Dr. Satoshi Machida —Classroom Expectations and Study Habits
2. The session begins at 3:00 pm and the presentation should be 20 minutes in length. We will break the students up into 4 or 5 equal groups and we will move the groups from room to room. You will be presenting to each of the 4 or 5 groups.
3. You will have an orientation leader assigned to your room to assist with timing and student movement from room to room.
4. There will be approximately 30 students in attendance at this session.

If you have any questions or need any additional details, please let me know.

Best wishes,

Lei
